

Calling all dogs! CC and Chipper here, and we have so cherished the relationship we have developed with our owner Geralynn that we want nothing more than to learn about yours! By May 15th, we would like to have you send in photos of you and your owners with a write-up telling us about your special relationship.

Of the received entries, we will chose one LUCKY DOG and owner to receive the Dog Tag Duo of matching dog tags, pictured below, to commemorate your coveted relationship and years of comradery.

Log on to our new website at [CCCouture.com](http://CCCouture.com) and enter the "contact us" section of the website to send your entries to Geralynn.
